

## Mississippi Camp McCain Training Center

---

### ***Facility and Location***

Camp McCain Training Center is a 13,023 acre facility located in Grenada and Montgomery counties. It is one of several training sites opened in Mississippi during World War II. Training at the facility includes tank maneuvers, small arms training, and general training for National Guard troops. Additional buildings have been constructed for operations, maintenance support, and troop housing. Their mission is to provide facilities, training areas, and ranges in support of individual and unit level training.
